

Samuel Wilkinson Mantis Desk

Samuel Wilkinson's idea was to create a desk that would work excellently in a compact home environment with a clean elegant aesthetic. The flexible design comes with attachable accessories that help to keep your environment neat and tidy. The solid wood top has a removable plate that allows easy access to a storage tray hiding unsightly plugs and cables. Other accessories include a small draw for a laptop or papers, a file holder and a back panel that can act as a note board or in an open space as a privacy screen.
